## E A S T E R == P A S C U A

Alleluia! The exclamation rings out across the land, and we who are disciples of Jesus Christ pause to reflect on the reality that he rose from the grave and, in turn, conquered death. In today's colleges and universities, in pulpits of every denomination, and in books and journals, there are those who say it is unimportant whether or not he really rose from the dead. They say that the facts do not impact the moral of the story. Of course, two thousand years of Christianity give evidence that they are incorrect. What the faithful of many generations have experienced and given testimony to is not something built on an idea. It is not a philosophy or a self-help psychology.

*La Pascua se celebra por 50 días. Es la fiesta más importante de la liturgia. Comienza el Domingo de Resurrección y termina en Pentecostés.*

La resurrección es la gran victoria. Jesús ha descendido todos los escalones de la humillación, uno a uno, como saboreando el abajamiento. Y, cuando ha llegado a lo más hondo, toma al hombre caído y lo eleva a niveles insospechados. La nueva vida es mucho más que lo que se puede alcanzar por una ética correcta; es un don de Dios que introduce a los hombres en la vida divina si se unen a Cristo resucitado y vencedor.

## St. John School

St. John Catholic School welcomed author, Kentrell Martin to school to read one of his books to our TK-2nd grade students. Mr. Martin has written several children's books, in a series, which introduce audiences to American Sign Language and Deaf culture. It was an honor to welcome Mr. Martin to visit with, read to and teach some American Sign Language to our students. Thank you for educating us and helping our students to grow as life-long learners!

## Faith Formation

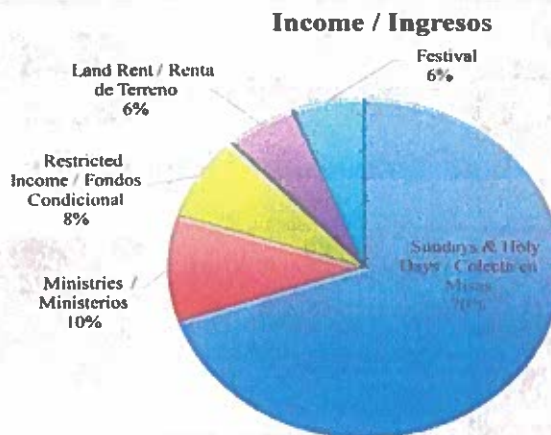

Please, pray for our Confirmation students that will be attending their confirmation retreat next week.

Por favor pidan por los estudiantes de Confirmación que vivirán su retiro la siguiente semana.
